Greetings in the name of the Lord! Our school is getting ready to jump into the Thanksgiving season as we rejoice in the many gifts we receive.

November is my favorite month of the year. Not only is it the true beginning of the cooler season here in Florida, but it also holds my favorite holiday, Thanksgiving.

Thanksgiving has been celebrated in the United States of America since the early 1600's. This is a legacy worth keeping! Thanksgiving has proved to be one of the most enduring and popular symbols of the Pilgrims. Millions of immigrants who arrived in America between 1880 and 1920 learned "Americanism" from the story of the Pilgrims and their celebration of Thanksgiving. Today, as we celebrate America's multicultural heritage, the story of the Pilgrims and Wampanoag sharing a harvest celebration remains an inspiration to many.

As the Bible claims, we are never abandoned. It is right to give thanks for the many blessings we have. Thanksgiving is a time to celebrate family, unity, and the bountiful harvest the Lord provides.

We have successfully completed the first quarter of school and look forward to the next nine weeks. A special thank you to our Science Team for managing and coordinating our In House Science Fair. You guys ROCK! The projects were amazing.

Our 1st PTF meeting is coming up on Monday, Nov. 7th at 6:30 pm in our Admin Building. We will honor our kindergarten through twelfth grade students on November 18th during our Award's Assembly. Forms for our November 10th Walkathon have gone home with all of the students. Please read all of the information carefully.

As a reminder, all parents should be using the carline to drop off and pick up their students. No one should be using the side of the building for drop off. Should you need to visit your child's teacher or choose to walk your child to class before 8:15, please park along side the church office and us the safe walkway with your child.

We honor and continue to pray for all Veterans who have served in our military. In observance of Thanksgiving, our school will be closed on Monday, November 21st and reconvene on Monday, November 28th.

We pray every home is filled with God's bounty this Thanksgiving Season. Enjoy Thanksgiving surrounded by family and friends. May God bless our school.

Yours in Christ,

Dr. Mercy Nyman,
Principal
