

Hello!

This year, our journalism/yearbook team is designing our 2015-16 yearbook! We are continuing our use of the TreeRing site to build and publish our yearbook so your family can receive a one of a kind printed copy containing two free pages to customize with personal photos.

TreeRing plants a tree in our school's name when you purchase a book and they print on recycled paper! All yearbooks are printed in full color and the \$30 cost for each book is part of a fundraiser for our school! **If you purchase by September 30th, 2015, yearbooks are 15% off!**

**YOU CAN PURCHASE AND PERSONALIZE YOUR YEARBOOK BY
CLICKING HERE.**

You will need to purchase your copy and complete your free personal pages by April 25 or you will receive a standard yearbook with no custom pages.

If you need help, please contact support@treering.com.
